FOOTBALL PREVIEW

The Ride 106.5 Classic Country

100.7 The Voice

Big Cat 97.1

2023

The staff at Lamar Broadcasting would like to thank all of our area businesses & business owners for their support & sponosorship, as we work hard to provide the best coverage of high school athletics for our listening audience. It's your support of our station, our area schools, and our amazing student-athletes that allows us to provide this football preview media guide each year.

During this 2023 season, once again, we are making it a priority to cover as many of the schools in our listening area as possible. The coverage area for our family of stations - WJEC 106.5, WLDX 97.1, & WVSA 100.7 - extends over a vast area of northwest Alabama & northeast Mississippi, with a signal reaching over 350,000 people. You can listen on the traditional radio format or, we will be relaunching all new websites this fall, and you can listen online to the station of your choice.

As a staff, we wish all of the area high schools in our Alabama & Mississippi listening area the best of luck in the 2023 football season. We encourage you to support these hard-working student-athletes, cheerleaders, & band members, and help them have an enjoyable & amazing season.

We look forward to carrying games each week & our broadcast team always feel welcomed at all our local schools, as we work to bring great high school football action to our listeners. We truly believer our local athletes provide great skill & excitement each year, and we always anticipate carrying games on our stations well into the playoff season. We expect this year to be no different, so be sure to tune into WJEC, WVSA, & WLDX each week for great high school football aciton.

WVSA 100.7 WJEC 106.5 WLDX 97.1

WISH ALL OUR AREA TEAMS A GREAT 2023 SEASON!

GREAT HIGH SCHOOL FOOTBALL EVERY WEEK OF THE SEASON!
